We aspire to participate and win in all other activities like Drama, Soccer etc up to Regional and National levels.

4. FEES PAYMENT

I wish to commend the many parents who are paying fees in time. Kindly plan to clear your son's fees in good time for smooth running of our programmes. Let us all cooperate in this to avoid unnecessary time wastage whenever a student is asked to go back home for fees. I wish to remind form four parents/guardian to clear fees arrears as agreed, while they open for third term.

***N.B** Always ensure you have indicated your son's **admission number** while paying fees by whichever method you use.*

5. DISCIPLINE OF OUR BOYS

I wish to inform that the Discipline of Our Boys have greatly improved. With enhanced discipline, academic performance is guaranteed. Let us all endeavor to mold an all-round students; excellence in academics and character. Kindly play your parental role while your son is at home during the holiday.

6. HEALTH TREATMENT OF STUDENT.

The Edu Afya Health Insurance for our students came to an end on **31/12/2023**. Therefore it is the responsibility of the parent/guardian to pay for their son's treatment once they fall sick while in school. However we have a full time nurse who takes care of minor illnesses. The school nurse shall be calling you whenever your son requires treatment outside school. Therefore I am urging parents who authorized their son to be treated at Cottage Hospital to pay the bill as guided by our nurse through the hospital pay bill to avoid unnecessary inconvenience.

7. HOLIDAY ASSIGNMENT.

All students have been given holiday assignments. Follow up to ensure they are done. Assignment shall be checked on reporting day.
